

NATURALISTIC BOAT TOUR IN TRIESTE GULF

An half-day TOUR with motorboat of maximum 8 participants with naturalistic guide

Meeting point: 09.30 am in Trieste.

A discovering tour of the naturalistic beauty (Flora and Fauna) of Trieste Gulf to the Cona Island.

Throughout the excursion an Italian and English speaking naturalistic guide will be on board, German available on request. Departure from Portopiccolo towards Miramare and Trieste with a brief break, then towards the River Isonzo Mouth and coasting the Cona Island (the Mouth of the Isonzo Reserve is the ideal habitat for many animal species and, in particular, for resident and migratory birds. Not surprisingly, it has been acknowledged as the best area in Italy for birdwatching).

Return to Timavo Mouth, Duino Cliffs.

Return to Trieste.

Price per person with 8 participants: from 110 €

Participation with less people available on request.

The price included: transport with naturalistic guide on board for all the journey, insurance.

For your security, the captain could decide to change or cancel the excursion, in case of unfavourable weather conditions.
